DAVE DORMIRE, et al.,)	
)	
Defendants.)	

ORDER

On March 22, 2007, the United States Magistrate Judge recommended dismissing plaintiff's claims. The parties were advised they could file written exceptions to the recommendation, pursuant to 28 U.S.C. § 636(b)(1)(C). No exceptions have been filed.

A review of the record convinces the court that the recommendation of the Magistrate Judge is correct and should be adopted.

Inmates who file an appeal with the United States Court of Appeals for the Eighth Circuit are required to pay the full \$455.00 appellate filing fee, regardless of the outcome of the appeal. Henderson v. Norris, 129 F.3d 481, 484 (8th Cir. 1997). The filing of a notice of appeal is considered a consent by the inmate to allow prison officials to deduct an initial partial appellate filing fee and later installments from the prisoner's account.

IT IS, THEREFORE, ORDERED that the Report and Recommendation of March 22, 2007, is adopted. [22] It is further

ORDERED that plaintiff's claims are dismissed, pursuant to Fed. R. Civ. P. 41(b), for failure to comply with court orders and to prosecute, or alternately dismissed for failure to state a claim as set forth in defendants' motion. [17]
